In re: Records Request

Dear Mr. Moss:

As you are aware from our previous correspondence, I am the Open Records Officer for the District Attorney of Allegheny County. On December 11, 2018, I received your request dated that same day requesting the following:

Any emails sent to or from Assistant District Attorney John Pittman between December 8, 2017 and December 22, 2017.

As I noted in my prior response to your first request seeking emails, I must contact the appropriate information technology personnel to perform a forensic search of the identified email account to collect the information. Once obtained, I must then inspect the results to determine if any of the documents found should be redacted or withheld pursuant to the exceptions set forth in the Right to Know Law.

Accordingly, I am asking that you consent to a 30 day extension of this request as well, or until January 17, 2019, so that I may retrieve and review the records. Please respond in writing if you agree to this request.

Very truly yours,

Kevin F. McCarthy,
Kevin F. McCarthy
Assistant District Attorney
Open Records Officer
